Atlantic Odissey, two strong words that really distinguish this 5 days expedition. The riding is fantastic and there is a moment that you`ll never forget when in a sudden you find your self at the top of the cliff and you have the boundless blue Atlantic Ocean in your eyes. An Odissey indeed because 5 days riding through all terrain means 1 big conquest every day.

For offroad bikers with experience (physical exercise before the tour is highly recommended!). We have millions of short cuts if you get tired and want to go straight to lunch time or the hotel.

This tour is a total of 6 days; your arrival, plus 5 days biking.

From land to sea you`ll have all kinds of tracks through montains, flat lanes, cork trees slalom.

There is the possibility to add an extra night in Lisbon at the end of your tour and include a dinner with a Fado performance (World Music Heritage).

Non-bikers also possible in our rallyraid support vehicle.

Bring your family. We may manage a program that allows everybody to join in the end of the day and at lunch time.

You will experience
