As we know, Sweden is one of the best countries for this type of adventure, our Swedish partners led by our friend Wilco, will treat us as best as possible so that our adventure in this country is as profitable and fun as we can imagine.

We will enjoy some of the best snowmobiles on the market, the Yamaha Phazer and the Viking (all recently acquired)

The snowmobile adventure will have different activities to suit the client such as dog sleds and of course, the typical saunas of these places, all seasoned with good local food and an incredible atmosphere.
