Come with us to explore the Draa Valley and the Sahara Desert. An easy proposal especially suitable for families and groups of friends. With short and fairly flat stages, you will discover a wonderful area of Morocco: an intensely green and fertile land in the middle of an arid and barren region. You will cycle between the incredible sand dunes of the palm oases and the Kasbah (or Ksar), the Berber fortifications. Always accompanied by an expert local guide, you will enjoy this unique experience with the confidence that you will be able to get on the assistance / support vehicle if you need it due to whatever circumstances (fatigue, breakdown, etc.). During the bicycle route, you will taste traditional cuisine (you will have a chef on the team) and at night we recommend that you take the opportunity to observe the beauty of the sky in the middle of the desert... A wonderful experience. A magnificent proposal, very complete, to live with family or friends.
