We propose a route through Ecuador with a guide and from 1 single client.  
If you are a group, of course there is no problem.

It is a route through the Northwest of the country, starting and ending in Quito, but passing through Mindo and Magdalena.

An adventure in which you will discover this small country on the back of a motorcycle, a guide will come with you at all times, we will sleep in good hotels, we will have gasoline included, breakfast and dinner every day.

The support 4x4 will only come if the group is 5 or more riders.

Below you can see the motorcycles that are available and the prices depending on the motorcycle model you want.

It is a not very demanding route, but in which we can enjoy this beautiful country in a totally different way.

Do not miss it!
