## Altre informazioni

Participants (Pilots): Minimum: 4, Maximum: 7

Required Driving Skills: The journey requires experience on gravel routes and basic knowledge of sand, as well as physical endurance.

Proven experience on gravel/grass.

Weather and Travel Season: We are crossing half a continent through deserts and temperate zones up to the Arctic zone of Tierra del Fuego, so we need to be prepared for all climates, from dry and hot to heavy rain and cold winds. . Probability of adverse weather and strong winds.

We aim to schedule our trips during the best season, in this case, the northern summer. However, rain, winds, and cold are inevitable

ATTENTION: The prices in this catalog are indicative and may vary significantly depending on the number of people in the group, travel date, availability of flights, or other changes that may also affect the travel itinerary

You can request a quote through the form or by calling customer service, or you can visit us at our offices as listed on the Contact section of our website.
