You will experience riding through the rugged Canadian Rockies, rolling foot hills, endless northern forests, while enjoying great roads ranging from gentle sweeping corners to twisty sections intermixed with fantastic scenery.

Picking up your touring motorcycle and leaving Calgary AB, you will ride through the rolling foothills & prairies of Central / Northern Alberta; home to many large cattle ranchers and wide-open prairie vistas. Experience the Canadian bush and wild life up close.

The roads in AB & BC are in good condition with light traffic out of the cities. Other than road repairs you will not be required to ride on any unsealed roads.

This tour is suitable for Intermediate or Advanced riders only. Tight corners with high elevations require close attention to detail.

Note: Canada drivers, drive on the right-hand side of the road.

Use your own motorcycle or use one of our rental touring motorcycles, which are licensed, and safety inspected and verified by the Canadian government.

A valid Passport along with appropriate approval is required for entry into the Canada.

This exciting tour includes 7 nights' accommodation ranging from modern cabins to deluxe quality hotels.
