As we have mentioned, it is a loop route in which we always return to sleep in Tirana, so today we go to the south of the capital, where we will drive through rocky roads, we will stop to eat next to a beautiful river, where the specialty is lamb, in the afternoon we continue driving back to the hotel

2 - - - 100

Today we head north, today will be a more demanding day, in which we will drive through ravines, cross rivers, stop to eat in a very authentic restaurant and in the afternoon more tracks and paths back to the hotel

3 - - - 90

Another great day is waiting for us... After a good breakfast we keep riding in the mountains of Tirana. We will stop to lunch and after lunch keep riding a bit more

4 - - - 120

Today is the last day of the motorcycle, we will repeat the path of the first day a bit, but we will quickly get into unknown areas, ravines, narrow paths and various obstacles are waiting for us for this day.

We stop to eat something and after eating we go back to the hotel to take a good shower and comment on these 4 incredible motorcycle days in Albania.

5 - - - 100

Our last day. Depending on what time our flight leaves, we can relax in Korça and enjoy the city and its delicious traditional food. Then, after lunch, they will take us back to the airport, to return back home.
