Precautions and tips to keep in mind

Mobile: Isle of Man is part of the United Kingdom, it still has a special regime and is not a member of the European Union for that reason we advise you to check your mobile rates to ensure you can use your phone on the Island. If not You can buy a SIM card upon arrival that will allow you to navigate and make calls, its price is between 5 and 10 pounds for 5GB of data.

Currency: Although it is not essential it is advisable to carry some sterling in cash for small expenses. Two types of pounds are accepted on the Island: sterling and morning. The latter is only valid for Man, for that reason we advise you to always change your currency to British Pound.

Liverpool: In your stay you can find out that it is a wonderful city but you must take some precautions: always park the motorcycle in a safe area (closed or guarded parking), if you have the possibility to travel in a group and try to refuel before reaching the city.

Douglas: Both incidents related to visitor safety occur rarely in the capital as well as throughout the Island, and it is considered a safe place to stay.

Tourism: If you wish and have time, Man offers great places to visit related to the motor: TT Museum (Isle of Man Motor Museum), Murray's Motorcycle Museum, A.R. Motorcycle Collection, Jurby Transport Museum.
